

## 2008 Colgate 26'

Length: 25' 8"  
Beam: 8' 5"  
Draft: 4' 5"

Hull: Fiberglass  
Motor: Nissan 6hp  
Trailer: Yes

Description: Originally commissioned and developed by Steve and Doris Colgate for use at their sailing schools. A number have also been sold to US Coast Guard, US Navy, and Maritime Academies for both instruction and intercollegiate competition. Great daysailer and perfect to single-hand or with crew. Nice little cabin and very large cockpit. Comes with a trailer and a Nissan 6hp outboard. Seen very little use in salt water.

**Asking: \$45,000.00**
