

2008 SEAWAY 20'

Length: 19' 10"

Hull: Fiberglass

Beam: 8' 6"

Engine: 2020 Johnson 60 hp

Draft: 6"

Trailer: Venture

Description: This Seaway skiff has a fine vee entry that flattens out as it runs aft. This makes the skiff a comfortable, dry boat when running home against the afternoon chop. Her broad beam and high sides produce a craft with great capacity making her ideal for inshore fishing and work boat applications. Recently used by a lobster fisherman and comes with a pot hauler.

ASKING: \$9,995.00
